ANNUAL REPORT

2025-2026

Entrusted with the Truth

2 Timothy 2:2

PRESIDENT'S REPORT

Dear Tyndale Partner,

2025-2026 was a year of remembrance as we celebrated 40 years of God's blessing and provision. Taking a look back has reminded us of the people God called to serve, to give, and to go forth from Tyndale. Thank you for your part in helping Tyndale achieve its vision for training Christian leaders to effectively serve God's Church throughout the world. We move into the future with confidence that God will walk with us as faithfully as He has in the past. Pray with us for wisdom and discernment as we seek His guidance and live in His presence each day.

Students from 21 nations were trained and discipled at the seminary in 2025-26. Tyndale has had the privilege of training over 1550 students from 86 nations. We are grateful for the continued prayers, encouragement and support that makes this possible.

We praise God for this past year. As we reflect on the many activities, we do so with gratitude.

- For 2025-26, Tyndale hosted 51 students in our Master of Divinity, Master of Evangelical Theology, and certificate programs. In addition, we were blessed with the presence of 16 part-time visiting students who participated in our Tyndale Equip program or our study abroad partnership program with school FTH Giessen, Germany.

- In the fall of 2023, the Stewardship Capital Campaign began. We reminded you that our main building was over 50 years old and in need of significant renovation. The campaign is ongoing with the goal of raising $800,000 for work and materials. The remaining items from the original campaign to be completed are heating system radiators, the bathrooms, and office windows. We also have an additional need to upgrade our fire detection system.

- 2025-26 renovations were accomplished in large part because of volunteer teams who worked alongside diligent staff members. We want to express our appreciation to Hastings Evangelical Free Church Nebraska, Brass Tacks UK Mission, American Protestant Church of The Hague, Greater Europe Mission, the Calvary Relief Team from Calvary Chapel Sarasota, Florida, and Celebration Church Regina, Canada for their hard work and enthusiasm.

- Various special events connected Tyndale to the broader Christian community in the Netherlands. These are noted in the News & Events found in pages 9 to 16.

- In January 2026, a new institute was launched under Tyndale's umbrella as a pilot project. The Tyndale Academy of Ancient Languages (TAAL) is an institute dedicated to teaching biblical and ancient languages with academic rigor and active engagement. TAAL offers instruction in Ancient Greek, Biblical Hebrew, Latin, and Aramaic, using an integrated approach based on Second Language Acquisition (SLA) research. TAAL serves students, teachers, and Bible translators worldwide, equipping the global Church to engage Scripture faithfully in its original languages.

- Tyndale's 40th Anniversary was celebrated in a variety of ways throughout the year. These are some of the more significant events.
  - In October 2025, we honored our namesake with a one-day symposium on "The Life and Legacy of William Tyndale."
  - In January 2026, YWAM Amsterdam worship team led "Celebrate! An Evening of Praise and Prayer," celebrating God's faithfulness.
  - Tyndale's history was compiled by Dr. Linda Stuckrath Gottschalk into the book: *Focused on Europe, Reaching the World*. This book was edited by Dr. Rob MacEwen, and is available for purchase through Tyndale.
  - In April, Tyndale held a weekend of events: a Fundraising Banquet and A Day of Celebration, which included a 5k Run, Soccer Tournament, and Movie Night.

- Tyndale continues to be granted scholarship money for migrant church workers through *Protestantse Kerk - Kerk in Action*. This organization oversees a grant initiative that is supported with resources made available by Mrs. Antje Paksy-Houtman. She was very involved in the church and her deeply rooted faith determined her legacy gift. She was touched by the history of her husband, who, as a refugee from the Eastern Bloc, was able to study in Kampen with the help of the Reformed Churches and became a preacher in the Netherlands.

As I reflect on this past year, I see God clearly using Tyndale board members, faculty, staff, and students as instruments for His glory. We continue to look to Him to guide our path and to serve His purposes in the world.

Thank you for your partnership. Your contributions through both prayer and financial giving are key to the accomplishments of Tyndale's mission and goals. As we all prayerfully consider what He is doing in the world around us, let us seek to serve Him with hope and joy.

In Christ,

Gunnar Mägi
President

A WORD FROM THE STUDENT BODY PRESIDENT

The 2025 to 2026 school year has been another reminder that God stays faithful to the Tyndale community. Looking back, I feel thankful for the chances we had to keep growing. We grew in what we learned, but we also grew in how we relate to one another.

One reason Tyndale feels different is the student mix we have. People arrive from many countries and cultures. We also come from different churches and life stories. Still, we share one goal. We want to know Christ and serve His Church. Living closely with so much difference can be tough. Sometimes we do not see things the same way, and misunderstandings happen. Yet those moments also teach us. We learn to hear others out. We learn to slow down. Over time, that shapes us with more humility, more patience, and more care.

This year, I noticed more friendship among the students. It was not just talk. It showed up during meals, gatherings, cultural events, and trips. We also had other activities that helped us connect when class was not in session. These times made it clear that Tyndale is more than a campus for lessons. It is a community where we practice living as brothers and sisters in Christ.

I want to thank our faculty and staff, too. They keep showing up for students in real ways. Their work is not limited to lectures and assignments. They also offer attention, support, and personal involvement. That steady care matters. It helps make the Tyndale experience better. We want to say thank you to the board and to everyone who backs Tyndale with prayers and donations. Because of your care, students from many places around the world can study theology and prepare to serve in ministry in a very convenient environment.

Looking back on this past year, I feel grateful for the chance to serve the student body. I also see how much God taught us through the way we lived and worked together. I hope the friendships, lessons, and moments we shared at Tyndale will keep guiding us when we go back to our churches and communities to serve Christ.

May God continue to use Tyndale to equip faithful servants for His Church and for the advancement of His Kingdom.

Ugochukwu I. Akaniru, Nigeria (MDiv)

The Young Tyndale Strategic Plan Update

Progress Report for the Young Tyndale Strategic Plan

Through June 2026

Tyndale is in a season of real and measurable progress. The Young Tyndale vision is becoming a reality through the faithful work of staff and faculty. The updates below reflect a seminary that is growing in organizational health, academic quality, global reach, and infrastructure — while navigating significant challenges with prayer and prudence.

Short-term Goals (1 year)

Campus Development: Renovation of Chatlos Hall, addressing deferred maintenance needs and creating a modern learning environment through our Stewardship Capital Campaign.

Progress: Over $400,000 in funds received. The library has been relocated to the former chapel area, the atrium completely renovated as a new chapel/meeting space with a new roof, and entryways tiled. We replaced the dormitory and Chatlos hall furnaces with modern heat pump expandable solutions. Faculty offices in the Art P. Johnston wing, classrooms, and one set of bathroom renovations have been completed.

Capital Campaign Remaining Funds Needed:
€41.225 ($46,000) Replace radiators and pipes
€100.000 ($112,000) Window replacement
€20.000 ($22,500) Furnishings

Brand: Modernizing our brand identity with a digital-first approach, including Global Digital Theological Library access, a new website, and a digital School Management System.

Progress: New website and brand launched in October 2023. Tyndale now has Global Digital Theological Library access. The School Management System launched in the spring term of 2026.

Academic: Implementing a portfolio-based discipleship program and developing a new curriculum.

Progress: The 2025-26 academic year inaugurated our new Master of Divinity curriculum, featuring a portfolio-based discipleship program. The pilot for the Tyndale Academy of Ancient Languages (TAAL) was launched attracting 79 students from 14 countries, including 8 SIL Bible Translators in Myanmar.

Dr. Jim Dahl & Solomon Dimitriadis
Apologetics Class

Fundraising - Ensuring financial sustainability through renewed case statements, outreach to donors, and fundraising team development.

Progress - We've developed a renewed case statement, explored various new donor outreach methods, and significantly expanded grant-writing efforts to foundations, though fundraising team development remains challenging. At the time of writing this, we have an open search for a Vice President of Advancement, based in the United States.

In March, Tyndale received a generous donation that allows us to establish Israel Study Tours for our students in the future.

Medium-term Goals (2-5 years)

Campus Development: Complete Capital Campaign and establish a sustainable maintenance budget.

Academic: Enhance faculty diversity (international, evangelically diverse), strengthen alumni relationships. Establish Tyndale international campuses. The MET curriculum revision will be launched and completed. Tyndale will successfully pass the next accreditation conformity assessment with the Dutch-Flemish Accreditation Organization: *Nederlands-Vlaamse Accreditatieorganisatie* (NVAO), the European Council for Theological Education (ECTE), and the European Quality Assurance Register for Higher Education (EQAR).

Fundraising: Achieve debt-free budget status with regular contributions from new individuals, churches, and foundations.

Long-term Goals (6+ years)

Campus Development: Address additional classroom, married student housing, and faculty office needs at the Badhoevedorp campus. Achieve near zero-electricity campus status with solar panels, increase community-focused event involvement, and expand service opportunities.

Fundraising: Fund Tyndale Endowment and reserves in the amount of one fiscal year's budget.

Progress: A Vanguard account has been established, enabling the seminary to receive stock and bond gifts.

We serve a God who reveals His mission to us and makes dreams possible. We actively seek partners who wish to join this work. Please contact me if you're interested in participating in this next chapter of Tyndale Theological Seminary.

MISSION and VISION

Equipping preachers and leaders since 1985

Our Mission:

"Tyndale Theological Seminary stands as a witness for Christ in multicultural Europe, equipping leaders to reach Europe and the world with the gospel."

Our Vision:

Tyndale Theological Seminary was founded in 1985 with a vision to equip Christian leaders from Europe and beyond. The seminary is an accredited, graduate professional school. It is an interdenominational, evangelical seminary focused on world missions.

We desire that Christ's command "to make disciples of all nations" permeate all of our programs and courses in order to:

- Extend the cause of world evangelism by training students as pastors, missionaries, teachers, church planters, and Christian leaders.
- Follow Jesus' command of discipleship and see lives transformed in heart, mind and soul.
- Promote the fulfillment of Christ's missionary mandate by equipping students for cross-cultural ministry based on the Bible, which transcends culture.
- Maintaining a strong emphasis on the biblical languages, to understand God's word more accurately.

CORE VALUES

At the Spring 2026 trustees meeting, Tyndale Theological Seminary's reviewed and revised Core Values were approved.

1. Holistic Education

Our academic work is formative, spiritual, and practical in nature. To that end, we engage our heads, hearts, and hands in our educational strategy. Furthermore, we seek to integrate the cultivation of knowledge and skill with the pursuit of wisdom and Christlike character for ministry.

2. Unity in Diversity

As an international, multi-denominational, evangelical institution, we are one in Christ; therefore, we have a shared commitment to extending grace to one another within biblical boundaries, respecting diverse theological convictions, and celebrating the beauty of rich cultural diversity as a picture of God's future Kingdom.

3. Community

We worship, work, study, and eat together, supporting one another spiritually, academically, and personally. We are committed to a collaborative culture where we receive one another, serve and work in teams, and consider the good of the community in our decisions.

4. Christlikeness

We strive to relate to one another with charity, grace, humility, and respect, seeking to reflect the fruit of the Spirit. We commit to practicing compassion and pursuing justice and peace.

5. Growth

We are committed to lifelong learning and continual development in our professional, organizational and personal lives, as we learn from one another and those outside the organization. We commit to be open to change, curious in our thinking, and creative in problem solving.

6. Accountability

Living transparently before God and the community, we act with integrity, follow through on our commitments, and own our mistakes in order to fulfill our organizational roles and promote trust. We are responsible to the seminary governance, donors, accreditors and one another.

News and Events 2025-2026

OFFICE RENOVATIONS

During the summer months volunteer groups donated their time and expertise helping Tyndale staff, Jason and Tarmo, to renovate the Arthur P. Johnston wing. Thank you to Hastings Evangelical Free Church, Brass Tacks UK Mission, American Protestant Church of the Hague, and Greater Europe Mission for your diligent and hard work.

IOSOT 2025

Dr. Derek Bass, Dr. Mario Tafferner, and Mr. Logan Copley attended the International Organisation for the Study of Old Testament (IOSOT) meetings at the Humboldt-University of Berlin. They had the opportunity to engage with leading Old Testament scholars, while also affirming the centrality of Christ and the gospel to unlock the meaning of the Old Testament.

WELCOME NEW STUDENTS

In August 2025, new students arrived for New Student Orientation.

CONVOCATION

On 1 September, the Tyndale community inaugurated its 40th academic year. The guest speaker was Prof. Dr. Bernhard J. G. Reitsma. His theme: *Wisdom from the Margins: Lessons for Theological Education from Christians in Majority-Muslim Contexts*.

WILLIAM TYNDALE SYMPOSIUM

2025 marked Tyndale Theological Seminary's 40th Anniversary and the 500th anniversary of William Tyndale's translation of the New Testament into English. At the symposium, we learned about William Tyndale's life and times: about his connections to the intellectual life of Europe, his influence on Bible translation, his enduring legacy for Protestant Christianity, and lessons that we can learn from his life and ministry for our context today.

CUP OF THE BROTHERS

Soccer or football, as most of our students call it, is a sport enjoyed by many Tyndale students. In the fall, Tyndale sent two teams to compete against different Bible schools from Germany and Switzerland in the "Cup of the Brothers," and in June, a team competed in a local tournament.

OPEN DAYS

Tyndale hosted two Open Days, this year, one in November and one in March. It is an opportunity for prospective students to come to campus and experience a day in the life of a Tyndale student. In March, there were 26 attendees, who interacted with students, faculty, and our admissions staff.

THE JOHNSTON LECTURES AND 1-DAY P&L CONFERENCE

Dr. Stephen J. Wellum, Professor of Christian Theology at The Southern Baptist Theological Seminary (KY) and editor of *The Southern Baptist Journal of Theology*, was the guest speaker for the Johnston Lecture Series. His theme was *The Significance of Nicaea and the Creed at 1700 Years*.

Two days later, on 24 November, he also spoke at our One-Day Preachers and Leaders Conference on the theme: *The Importance of the Covenants for Preaching Christ from All of Scripture*. This conference was held in Rotterdam at the *Gereformeerde Baptistengemeente Rotterdam-Zuid*.

THANKSGIVING CELEBRATION

Each year Tyndale gathers to honor the Lord for His great provision, both for the school and for each of our lives personally. Most cultures have some sort of harvest celebration, we use the U.S. Thanksgiving tradition as the basis for the main meal. After the meal, there is a talent show, a time for hidden talents to be revealed and much joy and laughter. We enjoy the chance to work together and be together, eating and rejoicing.

RETIREMENT CELEBRATION

Dory Hofstra has served at Tyndale since 2010. She retired on 1 December. To quote Nenad Tunguz, "What I treasure most is the way she makes people feel. Being around her lifts you...She brings an energy that reminds you to say yes to life: to try something new, to keep moving forward, to find joy even in the ordinary...To work beside her is to be reminded of kindness, resilence, and the quiet beauty of a life lived with purpose and love."

GIESSEN STUDENTS

There were three study abroad students for the fall who joined us from *Freie Theologische Hochschule Gießen*. They are pictured here being honored by the Student Life Committee leaders for their participation in the Tyndale community during their time here.

FACULTY PROMOTION

In recognition of his outstanding contributions to Tyndale, the wider academy, and the church of Christ, Dr. Mario Tafferner was promoted to the rank of Associate Professor of Old Testament Language and Literature.

PRAYER AND FASTING

In a 24-hour prayer day on 28 December, students rotated every 30 minutes to seek the Lord in prayer. Additionally, several students and staff committed together to pray and fast from 12 - 15 January, reminding themselves of God's love and grace.

TYNDALE ACADEMY OF ANCIENT LANGUAGES (TAAL INSTITUTE)

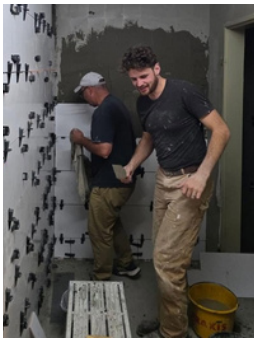

In January, Tyndale launched the pilot program of the TAAL Institute. TAAL offers instruction in Ancient Greek, Biblical Hebrew, Latin, and Aramaic, using an integrated approach based on Second Language Acquisition research. TAAL serves students, teachers, and Bible translators worldwide, equipping the global Church to engage Scripture faithfully in its original languages. From January - May, 79 people enrolled in classes.

CLASSROOMS AND BATHROOM RENOVATIONS

Several teams from different churches from the U.S. donated their time and funds to help with Tyndale renovations in the classrooms, hallways, and also with one set of bathrooms.

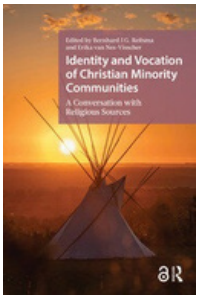

EASTER CANTATA

In April a group of students, faculty, and staff came together to prepare an Easter Cantata, "He's Alive." Guests were invited to attend this special chapel.

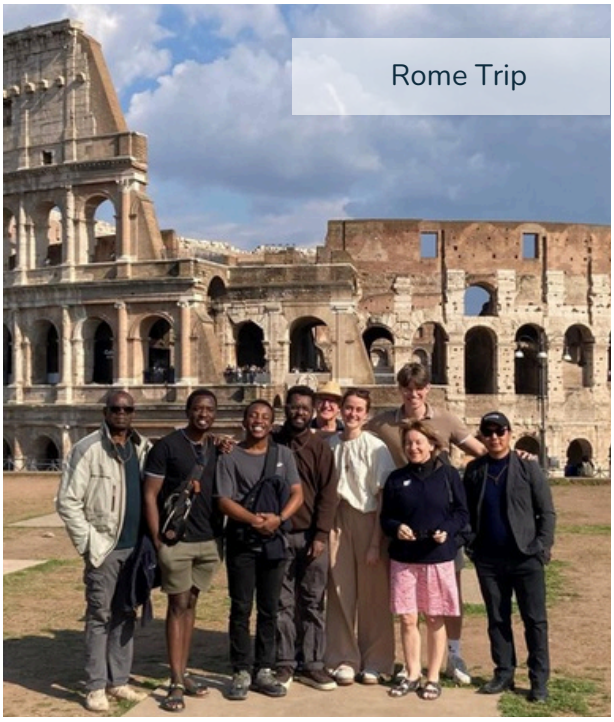

DR. YAKUBU'S ARTICLE

Dr. Rahman Yakubu and Prof. Dr. Bernhard J. G. Reitsma contributed the article, "Resident Aliens: Theological Reflections on the Identity and Vocation of the Church as Minority in the Context of Islam," to the concluding reflections in the book *Identity and Vocation of Christian Minority Communities*.

STUDENT LIFE

In the fall and spring our Tyndale community celebrates the many different cultures that make up our school. We enjoy an Americas / Africa week and an Asia / Europe week. Our students are diligent with their academic work, but they also really enjoy spending time together on fun trips and activities.

40TH ANNIVERSARY CELEBRATIONS

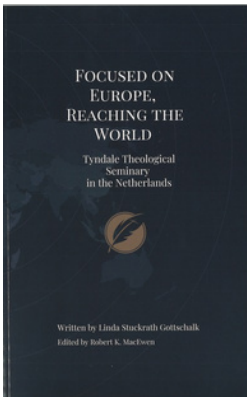

In April, Tyndale held a weekend of events to celebrate 40 years of God's blessing and provision as a school. There was a Fundraising Banquet and a Day of Celebration, which included a 5k Run, Soccer Tournament, and Movie Night.

At the Banquet, many people were honored for their years of service to Tyndale.

In celebration of the anniversary, Dr. Linda Stuckrath Gottschalk compiled the history of Tyndale in the book, *Focused on Europe, Reaching the World*. This book was edited by Dr. Rob MacEwen, and is available for purchase through Tyndale.

EUROPEAN LEADERSHIP FORM (ELF)

Held in Wisla, Poland, ELF is a yearly gathering of over 1,000 European evangelical leaders. This May, Dr. David Sandifer, Dr. Derek Bass and Elizabeth Bass attended.

OPWEKKING

Opwekking is the largest Christian festival in the Netherlands. Many conference attendees came by to discover more about Tyndale in the expo center.

THE BROTZMAN LECTURES AND 1-DAY P&L CONFERENCE

Dr. Peter J. Gentry, a Senior Professor at The Southern Baptist Theological Seminary (KY) and Co-Director of the Hexapla Institute at Midwestern Baptist Theological Seminary (MO), spoke on the theme of *Controversial Points in the Biblical Theology of Israel: Learning to Interpret with the Biblical Writers*. He also spoke at a One-Day Preachers & Leaders Conference on *Interpreting and Preaching the Prophets*.

TYNDALE'S 39TH COMMENCEMENT CEREMONY

Graduation is marked by several joyful events. On 2 July 2026, at the graduation ceremony, 11 students were honored for completing their degrees. Dr. Helene Wuhrer, a theologian, researcher, and pastor in The Netherlands, spoke on *Good Advice from Saints Surrounding You*. The graduate response was given by Sander Hoekstra.

CONGRATULATIONS CLASS OF 2026!

PREACHERS & LEADERS CONFERENCE 2026

Since 2019, Tyndale Theological Seminary has been instrumental in coordinating an annual conference in the Netherlands: The Preachers & Leaders Conference. Dr. Derek Bass, our Director of Tyndale Lecture Series & Conferences, works together with ministry partners: *Geloofstoerusting*, TGC *Nederlands* & *Vlaanderen*, DesiringGod, and 9Marks. This year's theme was *Biblical Counseling & the Noble Labor of Pastoral Care*. Our aim for this conference was to encourage and equip pastors and church leaders in wise practices and ways to coordinate care for those who are hurting and in need of help.

Dr. Jeremy Pierre and Dr. Deepak Reju, co-authors of *The Pastor and Counseling* were our keynote speakers. Dr. J. Ryan Davidson, Mrs. Ellen Oosterhuis, and Mr. Laurens Pruis also contributed to this discussion and break-out groups.

Academic Programs

MASTER OF EVANGELICAL THEOLOGY

The MET is a two-year degree program, built upon a prior degree in biblical studies or theology. It combines coursework in theological disciplines with academic research resulting in a thesis. The program calls for both theological reflection and practical application.

It is accredited by the Dutch government through the Nederlands-Vlaamse Accreditatieorganisatie (NVAO) and by the European Council for Theological Education (ECTE).

MASTER OF DIVINITY

The MDiv is a three-year degree program particularly suited for those without a prior theological degree. It provides a solid background in theological disciplines, along with a variety of ministry and intercultural courses, and includes a portfolio-based discipleship program.

It is accredited by the European Council for Theological Education (ECTE).

CERTIFICATE OF THEOLOGICAL STUDIES

The CTS program is designed for students who want to deepen their theological understanding for personal or ministry reasons. It can be completed in one year of full-time studies or on a part-time basis. It offers a good balance of introductory courses in Bible and theology, along with practical ministry and intercultural courses.

All of our academic programs can be completed on a full-time or part-time basis. Please request information from **admissions@tyndale-europe.edu**

Financial Statements

For fiscal 2025-2026, 1 July 2025 - 30 June 2026, we have once again seen God's faithful provision. The year ended with a net income of €275.957 ($322,765). This net income was the largely funded by two generous gift totaling €215.616 ($246,243); most of these funds were given for Israel study tours. The result was also impacted by capital expenditures that will be depreciated over several years.

Robert Yanduya – Malawi, 2019 MET Graduate

Dear Tyndale Donors,

It is a great honor and privilege for me to be featured in this report to share about my ministry after graduating from Tyndale Theological Seminary in June 2019. My decision to pursue a second master's degree at Tyndale was described by some as crazy, since many thought I should have gone for a Doctorate instead. After two years there, I came to realize I had made one of the best decisions of my life, as my time at Tyndale was not just to earn a paper but to be formed into the person God wanted me to become. I graduated from Tyndale on 1 June 2019 and left properly equipped to face the ministry challenges African Christianity, not only Malawian Christianity, are facing.

I left Malawi for Tyndale while working as Academic Dean at the Evangelical Bible College of Malawi (EBCoM) and pastoring as Senior Pastor of Zambezi Evangelical Church, Kabula Congregation. When I returned, I was posted to a church five times smaller than our first congregation, but God gave us the grace to serve there till now. Though I now serve as General Secretary of my denomination across Malawi, South Africa and Zimbabwe, my wife and I still serve Kachere Congregation, a church that cannot afford a well-qualified pastor due to their financial limitations. We make sure it remains well grounded in the Holy Scriptures.

While at Tyndale, I came to see how difficult it is for the church in Africa to grow in knowledge of Scripture and in relationship with God. Over 80% of pastors leading rural churches, the most populous in our context, have never had any formal theological training, making it difficult for them to present the truth of the Bible faithfully to their congregations.

Even before Tyndale, while serving as Academic Dean, I had already begun to see this need up close. At every intake, men and women already serving in ministry would come for interviews hoping to enroll, only to be turned away. Some lacked the qualifications required for admission. Others could not raise the fees for a seminary education, nor did they have mission partners willing to walk with them through their studies. I watched gifted, faithful servants of God return to their congregations with their calling intact, but their training denied, and it troubled me deeply. It was in the middle of that burden that the Lord spoke clearly to me: "Robert, I have entrusted

a lot to you. Go, train and disciple those who are already in ministry but have no theological training." That word became the seed of a vision that later grew, during my time at Tyndale, into a full conviction to reach pastors who could never otherwise access a formal theological education.

This prompted me and others to offer basic theological and ministerial studies to pastors already doing the work who cannot leave their churches to attend school. These trainings, focused on Hermeneutics, Homiletics, Spiritual Leadership, Basic Church Management and Mission and Evangelism, are making a real difference in the lives of the pastors and churches we have trained so far. We are currently developing a Trainer of Trainers manual, so that those we have trained can in turn become trainers, following the 2 Timothy 2:2 principle: "and what you have heard from me in the presence of many witnesses entrust to faithful men, who will be able to teach others also."

Tyndale also gave me the gift of connection with like-minded Christians from around the world. Though based in the Netherlands, Tyndale is the whole world in one place, and through it I was connected to people who have supported my ministry in many ways. Today I serve as Associate Spiritual Dean of the Pan-African Academy of Christian Surgeons (PAACS), a connection made possible through Tyndale, supporting surgeons from twelve countries across twenty-two centers on the continent. These are people who, after graduation, go to the remotest parts of their countries not only with surgical skills in their hands but with the Gospel that shaped their formation.

I am deeply grateful to Tyndale for the scholarship support that made my studies possible. Without it, a second masters would have remained out of reach, and I would not be equipped today to carry this vision forward for others who are in the same position I once was.

I have been married to Ellen for twenty-three years, and God has blessed us with four children: Joseph, Amos, Shalom and Shamira, all doing well at school. Our vision is to leave the office of General Secretary in August 2028 to focus on training rural Christian workers at a much bigger scale, and to be reassigned a smaller church so we can combine that calling with the day-to-day shepherding of a congregation. Please keep us in prayer.

Ruulhoukhou (Nibu) Yhome - India, 2024 MDiv Graduate

Dear Co-workers in Christ,

What a great joy and privilege it is for me to partner with you in laboring for the Lord. Thank you for your constant prayers, selfless investment, and unwavering support, which enabled me to complete my MDiv program at Tyndale Theological Seminary in 2024.

God has used each and every relationship and course I took at Tyndale to shape and mold me and my ministry in ways that only He could have done. All praise and glory be to God our Father, the Son and the Holy Spirit.

After completing my MDiv, I returned home to continue serving as a full-time Evangelist (primary role) at Baptist Revival Church, Kohima, Nagaland, India. In 2025, as my secondary role, I also oversaw the Youth Department, which included young people between the ages of 16 and 23 - with more than 200 members. From this year, I have been assisting a pastor in caring for one of our newer churches in Kohima as my secondary role. My responsibilities involve a lot of preaching, teaching, counselling, and church-related works.

Youth Camp

At present, I am the Secretary of my Church Mission Board. Our team oversees our mission fields in Butwal, Biratnagar, and Gauri Ganj in Nepal, and Mirik and Anandapur in West Bengal, India. We make field visits, provide pastoral and practical care for our field workers, manage mission field finances, and serve as a bridge between our church and the field workers, among other responsibilities.

Since my responsibilities involve a great deal of preaching, teaching, and counselling, I am very grateful to Tyndale for equipping me so well for my current life and ministry. I can confidently say that I am a better Bible student, a better Bible interpreter, and a better Bible expositor because of my time at Tyndale. I have also gained many valuable practical skills for preaching and teaching the Word of God, providing pastoral and soul care, and developing a biblical and kingdom perspective in my interactions with others and in dealing with contemporary challenges.

Ministry Trip to Nepal

Birthday celebration
for a boy with cerebral palsy

At Tyndale, one of the courses I took was on Disability Ministry. It gave me a very good biblical understanding of disability and also deepened my burden to reach out to people with disabilities and their families with the love of God. Therefore, last year I started the "Tikvah Project" ("Hope" in Hebrew) with some of my mentees. Our vision and hope is to restore dignity by offering spiritual, moral, and practical support to people with disabilities and their families. So far, we have been able to raise funds to purchase three wheelchairs for three teenagers with severe cerebral palsy. We also had the privilege of celebrating the birthday of one teenager with cerebral palsy, praying with him and offering some financial assistance to him. We plan to reach out to a few more families before the end of the year.

Throughout my time at Tyndale, the faculty and staff, donors, and some of my fellow students have poured out their lives so sacrificially to empower me to become a better disciple of Christ and to fulfill what God has called me to do. Even today, that constant love, support, prayers, and encouragement have not ceased, and my heart overflows with gratitude to God and to all of you.

So, this is not just my story; it is our story - a story of partnering together for the extension of God's Kingdom and His glory.

Impact of Scholarships

Haominlal - India, 2026 MET Graduate

Since my childhood, I have been deeply drawn to spiritual matters. One of my greatest desires was to study the Bible and become a missionary. However, growing up in Manipur, India—a region marked by recurring communal violence—my journey was far from easy. Several times, our home and all our belongings were burned to ashes. We lived a hand-to-mouth life, and it was extremely difficult for my parents to send me to a good school, let alone support studies in an accredited Bible college. Yet the desire God placed in my heart did not fade. Determined to pursue theological education, I left home and travelled to Haryana, India, where I began my Bachelor of Theology, followed by a Master of Divinity. Because of my family's financial struggles, I completed all my theological studies in India at non-accredited institutions with minimal fees. From 2011 to March 2023, I served as a Bible school teacher.

Over time, I realized that to serve effectively as a Bible teacher or pastor, churches increasingly required degrees from accredited institutions. Despite my calling and passion for ministry, I found myself disqualified simply because my certificates were not accredited. I knew my parents could not afford to send me to an accredited seminary.

So, I turned to prayer. I asked God to open a door for me to restart my theological studies at an accredited institution. I searched and prayed earnestly for years. Finally, God answered. Hannah, an alumna of Tyndale, knew my desire and encouraged me to apply. I submitted my application for a full scholarship, trusting God for the impossible. To my amazement, everything worked out far beyond my expectations, and I was granted the opportunity to study at Tyndale. Without the scholarship program at Tyndale, it would have been impossible for me to study here. The scholarship did more than support my education—it revived my theological life. I feel renewed, strengthened, and alive again for God's mission. The accredited degree I earned at Tyndale now qualifies me to serve the Lord anywhere in Manipur and beyond.

From the depths of my heart, I express my profound gratitude to all the donors and sponsors whose generosity made this transformation possible. Your support has changed the course of my life and ministry, and I will carry this blessing forward as I serve my community and proclaim God's truth.

Partner with Us

Tyndale is a community of partnerships. Most of our resident faculty and staff raise their own financial support. This enables the school to offer substantial financial aid to students. Our donors give prayerfully and generously. Our volunteers contribute their time. Our alumni serve the Kingdom of God in local churches around the world. All partner together to accomplish God's mission of equipping Christian leaders to labor in God's harvest fields.
