A course offered in connection with the two-day Preachers & Leaders Conference |
Biblical Counseling & the Noble Labor of Pastoral Care.

All church leaders, especially pastors, are involved in the lives of people. To be involved in their lives means that they are also involved in their struggles and problems. For this reason, Tyndale offers a pastoral counseling course which teaches various theories, approaches, principles and techniques with the intent to help the student develop helping skills related to implementing a biblical approach to counseling. Common counseling problems are considered.
